High Impact Communication & Confidence

My Comfort Zone - A Poem Author Unknown

I used to have a comfort zone where I knew I wouldn't fail.

The same four walls and busywork were really more like jail.

I longed so much to do the things I'd never done before,
But stayed inside my comfort zone and paced the same old floor.

I said it didn't matter that I wasn't doing much.
I said I didn't care for things like commission checks and such.

I claimed to be so busy with the things inside the zone,
But deep inside I longed for something special of my own.

I couldn't let my life go by just watching others win.
I held my breath; I stepped outside and let the change begin.

I took a step and with new strength I'd never felt before,
I kissed my comfort zone goodbye and closed and locked the door.

If you're in a comfort zone, afraid to venture out,

Remember that all winners were at one time filled with doubt.

A step or two and words of praise can make your dreams come true.

Reach for your future with a smile; success is there for you!
